

## **MECAL TECHNICAL NOTE**

### **MTN 14-1**

Issued by the *MECAL* Technical Committee

### **LPG SYSTEMS**

Reference: All Vessels – Section 14

Please note that the above BS EN ISO 10239:2000 has superseded BS 5482 Part 3.

Copies are available from BSI.

MECAL recommends that all but very simple gas systems should be inspected on an annual basis by a CORGI (Marine) registered engineer
