

MECAL TECHNICAL NOTE

MTN 1-1

Issued by the *MECAL* Technical Committee

CERTIFICATION OF >24M (LOAD LINE LENGTH) VESSELS UNDER THESE CODES

Application: Sailing & Motor Vessels

Vessels over 24M Load Line Length built before 21 July 1968 and less than 150 gross tons can be certificated under the code.

This can be extended to workboats once the New Harmonised Code has been enabled by the Merchant Shipping legislation.

For detailed guidance please contact MECAL office
