

MECAL TECHNICAL NOTE

MTN 3-1

Issued by the *MECAL* Technical Committee

CERTIFICATION OF GUERNSEY, JERSEY, ISLE OF MAN & NON-UK VESSELS

Application: All Vessels

The following points should be noted regarding certification of vessels by MECAL:

- a. Guernsey and Isle of Man vessels conforming to the appropriate Code of Practice may be issued with a SCV, WB, PB or NDP certificate.
- b. MECAL has full authorization from Jersey to issue all Jersey commercial certification to 150 tons & pleasure vessels to 400 tons
- c. Non-UK vessels operating in UK waters will not be issued with a certificate but may be issued with a "letter of compliance".
- d. Other UK Flag States (e.g. BVI, Cayman, Bahamas etc) can be issued with certification on a case by case basis
